

“Reading, after all, does nothing but create a small garden within our memory. Each beautiful book brings some elements, a flower bed, an avenue, and a bench on which to rest when tired. Year after year, reading after reading, the garden turns into a park and, in this park, it can happen to find someone else.”  
(Susanna Tamaro)

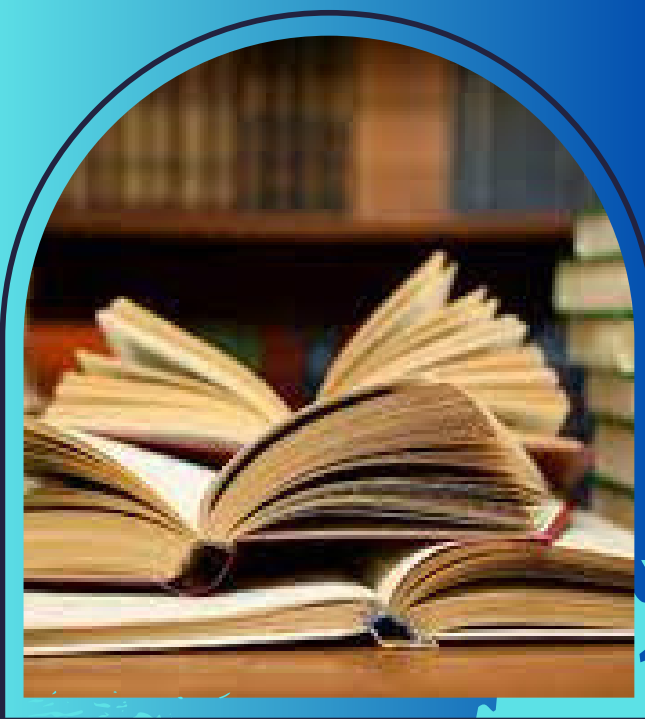

## COME TO THE LIBRARY

Via Nazionale,  
Melito di Porto Salvo (RC)  
ex Mercato Coperto

bibliotecamelitops@gmail.com  
www.bibliotecamelitops.com
